■Virtually Immerse Your Soul in the Enigma Sphere World While the Story Mode allows you to enjoy a story immersed in the world of Enigma Sphere, a new VR escape room mechanism is used to offer players the ability to step into the Enigma Sphere world. ■Photo Mode: The World of Enigma Sphere Unfolds with This Amazing Photo Mode The Photo Mode allows you to enjoy all of the stages included in the Story Mode. You can revisit the stages and take in the world as you wish, as well as completely change the look of the characters, stages, and world. ■Photo Mode: The Same, Yet Different Take a tour through the newly created Enigma Sphere to see whether the new Photo Mode will let you feel the same world as the world of the previous Edition. In this way you can now view even more areas of the world than ever before, allowing you to fully experience Enigma Sphere. ■Great Variety of Exciting Missions and Game Modes The Story Mode, Challenge Mode, Sphere Attack Mode, and other modes will delight you as you attempt to save the world. ■World Ranking System On Steam the ranking for achievements will be recognized and you can aim for the best score in the world in the challenge mode. About This Game: ■"Virtually Immerse Your Soul in the Enigma Sphere World" This game makes its long-awaited debut on Steam. The rich elements of Enigma Sphere can be fully experienced with this game. Besides the standard two-player game, you can also enjoy a reality experience that allows you to step into the world of Enigma Sphere. ■"Re-develop the World of Enigma Sphere" Enigma Sphere gives you the opportunity to visualize the current world of Enigma Sphere in a whole new light. You can explore even more of Enigma Sphere by interacting with the characters, using your smart phone or PC, and incorporating a full 360° movement system into gameplay. ■"Photo Mode: The World of Enigma Sphere Unfolds with This Amazing Photo Mode" What used to be a video recording on your television is now a photo recording of a virtual reality space that you can capture in a snap. ■"Photo Mode: The Same, Yet Different" The world of Enigma Sphere is viewed as a 360° spherical world. You can capture the world, step inside, and interact

2 puzzles enabled in "**quick**" mode
New leader marker for unmatched words

Enigma Sphere :Enhanced Edition Control :

The balls (that actually make up the game) are stored in a small wooden box.

	Box Contents :	Gem Contents :	
3	8	9	-

Your objective is to take all the gems out of the box and put them onto balls as soon as you have removed them from the box. Do this with as few ball drops as possible.

The game is won as soon as all the balls have been returned to the box.

To make things more interesting each new version of the game has a few additional features and puzzles from the previous versions.

New features :Version 2.0.0 of the "rules" document

You will recall that from time to time you will get a new rule sheet to play with. In this version the rule sheet has been expanded.

[----------------------------] [21/07/08 4:12:06 PM] The well has
not been tested. Drop a sphere or two of some color of
your choice in it. _____

_____ [04/02/08 4:11:18 PM] The well
has been tested. But, the controls do not seem to work. If
you pull the well up, you get a small voice saying, "As you
remove the first sphere...m..f..f..f..f...f.........empty." If you
put back down the spheres, you get the same message,
except with a different voice saying m.f.f.f...f......f........ If
you take out the last two spheres, the voice loses it's male
sence, but will not stop. It just repeats faster and faster. __

_____
_____ [16/04/08 1:42:51 PM] Game does not end when you
put the Sphere back in _____

_____ [09/04/08 9:57:40 PM] "The
well was not opened. Two spheres were placed in the well
so far. " - This is after the first two spheres have been
dropped in. After this message is showing up in the white
Room where you are sliding the well down, you'll hear a
man asking you to use a spinner in the well. _____

_____
[20/04/08 8:26:46 PM] After the other 2 spheres has been
dropped in, the Game actually Ends by sliding the well
back to its position. _____

_____ [26/04/08 8:22:27 PM] "In
order for someone to test this well, something needs to be
poured into it. The better question is what would be
poured into this well to test it?" - These are the first words
you hear from the Man in the white void.
