The original pinball mix is a unique new collection of tables with unique features, some challenging and others more relaxing. A great collection for all levels of player. Collect the tables in a Story Mode or play the tables in free mode. Lose a ball and earn extra balls! Learn the Rules: . Free Mode - play each table as you would play a real pinball machine. . Story Mode - play each table with story inspired challenges, all in a run down bar run by a Rock & Roll pinball legend. . Skee Ball mode - spin the tables using the Skee Ball machine. The game uses the classic 'S' button to launch the ball. Play more than 100 tables from the heyday of pinball. Hundreds of levels and challenges give you the chance to unlock the credits for each table. Over 50 original illustrations bring the table to life. Play each table for free, complete challenges or take on friends in the leaderboards. Enjoy beautiful retro graphics and high-fidelity sound. Enjoy an ambient soundtrack or the classic sounds of a pinball machine. FAQ: 1. Do I have to play the story to unlock all the tables? No, you can play each table, the story just gives you a hint of what you'll find on the table and gives some background to the characters. 2. Where can I find free tables? There are more than 100 tables available from day one. If you can't find any, simply play a current game or check for free tables on freepinball.com 3. How can I join a game of TableMania without a pinball machine? The pinball machines are self-contained. The game is not designed to be played on a computer. Simply download the free TableMania App and you're ready to play. 4. I have no pinball machine. What should I do? You can use an iPhone, Android or Windows Phone to play TableMania for free. 5. Where can I find extras? You can find extra balls, on the fridge in the bar or while using the tables. In-App Purchases: . 10 extra balls for \$4.99 . 20 extra balls for \$9.99 . 50 extra balls for \$29.99 . 100 extra balls for \$49.99 If you purchase the table credits, you can use the credits to unlock all in-
