paint tool sai by Vullo on DeviantArt . and asked for some brushes so i did this to show the 4 i use the most and as i am asked l. âž¤. If you already know a few brushes then you won't need to look any further, but if you only know one brush I suggest you take a look at this article first where I show all the most useful brushes. Step 2: Create and Select the Brushes You can download brushes here. Open it and click the "Create" button And you can select a brush in the Brush Selection window Just click on the "Brush" icon above it and you will see a list of brushes you can choose to use.
